

## AROC Surrey Section photo competition 2022

Following the MiTo Register photo completion held in 2019 (*see report and pictures in the Alfa Romeo Driver club magazine December 2019 volume 53/6 and photos on [Mito photo comp 19](#)*) we thought that the Surrey Section could do a similar thing in 2020. Well, just as the competition got underway lockdown came in and the cars stayed home. Life moves on and we're now relaunching the competition for 2022 and getting out and about in our Alfas.

The challenge is to get out and about in Surrey with your Alfa and take a photo to prove it. We have selected 25 specific landmark locations within Surrey for you to visit, in addition to the Section meetings and national AROC events. The photo should include your car against a backdrop of the location (i.e. we should recognise where the photo was taken). The picture must contain your car as the star but other cars and/or people can be included. Photos should be taken in 2022, not in the past.

Cars are not expected to be in clean, concours condition, but to show you've been there and may have had to drive through a puddle or two on the way. It's about having fun visiting some of the fabulous places we have in Surrey (and AROC events), not on the state of your Alfa.

The event will run **from 25 February 2022 to 2 October 2022**. Photographs must be taken within this time frame to be eligible. We will display your photos in an online gallery as submitted. At the section meeting on Monday 17 October we will show the best of the photos (as decided by the committee) and announce the winners. There will be prizes for the best photo(s) (committee's decision) and the most popular photo decided on the night by club members in attendance.

Photos can be taken on phones, digital SLRs or any other type of camera that will enable you to send a digital image. The photo file should be labelled in the following format:

Date(YYYYMMDD)\_your name\_location of image

e.g. 20220301\_KKitson\_guildfordcathedral

Photos should be submitted to [arocsurreyphoto20@gmail.com](mailto:arocsurreyphoto20@gmail.com) by **23:59, Monday 3 October 2022** at the latest. You can submit at any time before then.

This competition is only open to paid up AROC members. The locations are overleaf. Section meetings dates and locations are on the calendar and national AROC events are on the AROC website.

So get out there over the coming months with your Alfa and start snapping.

## AROC Surrey section Photo competition 2022
