This diagram shows an exploded view of a mechanical assembly. The main component is a long, multi-segmented shaft or housing, labeled with a '1'. To its right is a flange or end cap, labeled with a '2'. Above the main component, there is a bracketed assembly of two curved, C-shaped parts, labeled with a '10105'. To the right of this bracketed assembly are two more curved, C-shaped parts, labeled with a '4'. Below the main component, there are five individual curved, C-shaped parts, each labeled with a '3'. These parts are arranged in a row, suggesting they are components of the main assembly.
