

## Hello Member,

We have an exciting schedule of events, evening gatherings and breakfast meets coming up over the summer in the Wales section. For full, up to date event information, please visit our dedicated website using the link below.

Our Thursday evening gatherings at the Two Rivers, Chepstow are a great way to get together with other club members. If you're busy during the week, we hold a monthly breakfast meeting on a Sunday. This is currently at Baffle Haus, Old Post from 09:30am mid-month but the venue may change periodically.

We have two further events in the diary currently. Our Cymru 100 and National Alfa Day convoy. Hope to see you soon!

Please also take a moment to read our May member feature report, with David Massey's ownership explored.

Cymru 100 tickets are now available. The route details will be released soon but please get your ticket including a stop in Brecon on the way, so you can meet us there. Lunch will be provided.

[Cymru 100 Details & Tickets](#)

The annual National Alfa Day convoy from Wales has been released, with a meeting point at Magor Services and a further meeting point at Leigh Delamare services to meet with our Devon & Somerset section members. This will prove to be even bigger than last year! Tickets are required for National Alfa Day, but also please let me know if you intend to join the convoy.
